

The Technology Sector is a Key focus for HSBC in the UK

We have a **£500m** carve out of HBSC's £15bn SME fund to support ambitious tech businesses

How can we help?

- ◆ **Comprehensive product suite** to help business grow and thrive, including bespoke products for **Intellectual Property cash flow lending** and an **IT Managed Services trade and equipment finance** proposition

- ◆ We see our role as a bank as more than providing finance, we want to provide you with the **information** and **connections** that will help drive your business forward.

- ◆ **Global reach** to support businesses with international aspirations, from fast-growing start-ups to FTSE100 clients

- ◆ **Connectivity:** UK wide **networking opportunities** and a **full agenda of industry events and sponsorship** including Silicon Valley comes to the UK, the MegaBuyte Awards and the Go:Tech awards. We look to use our network to help you connect with interesting opportunities.
